VOLUME 125...JULY–DECEMBER, 1940

July 4 ..... 1– 56
July 11 ..... 57– 70
July 18 71–120
July 25 121–132
Aug. 1 133–185
Aug. 8 186–198
Aug. 15 199–246
Aug. 22 247–258
Aug. 29 259–304
Sept. 5 305–316
Sept. 12 317–372
Sept. 19 373–384
Sept. 26 385–432
Oct. 3 433–446
Oct. 10 447–502
Oct. 17 503–516
Oct. 24 517–576
Oct. 31 577–590
Nov. 7 591–646
Nov. 14 647–662
Nov. 21 663–714
Nov. 28 715–728
Dec. 5 729–784
Dec. 12 785–800
Dec. 19 801–848
Dec. 26 849–864

A

Aerodynamics see Structural design

AERONAUTICS

Airplane plants:
Auto industry studied for airplane manufacture n669
Better plants build airplanes faster... *560
Boeing to add to Seattle plant..... *518
Bomber plant is built in 90 days..... *566
Glenn Martin plane factory addition under way n320
Rapid expansion of engine plant leaves time for improvements..... *564
RFC loans to be made to aircraft firms. n263

AIRPORTS:

Appropriation passed in cut form.... n449
Appropriation recommended for enlargement work n386
Architects and engineers depart for work on Atlantic bases..... n801
Army and Navy airbases (table)..... 532
Army builds an Arctic airbase..... *558
Basic requirements for airport design *12
Building Alaska bases for naval aircraft *556
Buildings at the airbases..... *550
Correction 809
Building bases for air forces..... *544
Contract construction for CAA airport program n587
CAA decides to carry out construction under an engineer officer..... e601
Inadequate airports e10
Landing field drainage practice..... *547
Naval bases in Atlantic planned..... n669
Naval bases to be increased..... n248
Navy is completing three Pacific airbases n203; e209
Paving for airbase runway..... *548
Correction 809
Portable landing mats as an experiment n860
Preparing the airfield site..... *545
Utilities to serve the airbases..... 553
Washington Airport runways..... *678

Air conditioning:
Houston skyscraper structural design influenced by air conditioning. W. H. Weiskopf *740

American Association of State Highway Officials:
Seattle convention n385

American Engineering Council:
The Council serves the engineer and public. A. J. Hammond..... l 324
Discussion of the Council. W. E. Bullock ..... l 392
Engineering Council. M. E. McIver.... l 455
Lent named secretary..... n188
Should be given another chance..... e209
Usefulness of the Council. M. E. Cooley ..... l 267

Asphalt Institute Conference..... n791

Asphalt Institute and Association of Asphalt Paving Technologists hold conference n*804

American Public Works Association:
Detroit meeting n*447
Symposium 626

American Road Builders' Association:
Nominations for officers..... n586

American Society for Testing Materials:
Atlantic City meeting..... n*1

American Society of Civil Engineers:
Board of Direction meets in Denver.... n*133
Cincinnati meeting n517
Matthew Murray expelled from society.. n379
To withdraw from American Engineering Council n188

American Water Works Association:
Four States Section meeting..... n648

American Welding Society:
Cleveland meeting n582
Specifications for welding bridges near completion n193

AQUEDUCTS

Arizona seeks Colorado River water... n*315

Colorado River aqueducts:
Builders honored n*505
High efficiency pumps lift water above intake level *341

Delaware River Aqueduct (New York City):
Pt. 5, controlling the flow..... *109
Pt. 6, driving 85 miles of tunnel..... *288
Pt. 7, tunnel haulage and hoisting... *418
Pt. 8, reservoirs and dams..... *688
Pt. 9, caissons for a cutoff wall..... *761
Pt. 10, treatment for Delaware water. *822
Sanitation of construction areas (N.E.W.W.A. meeting) 478
Maintenance of aqueducts. F. C. Merriell ..... l 325

Quabbin aqueduct (Boston):
Opened by the governor..... n*577

Armory in Chicago is enlarged. S. E. Berkenblit *294

Associated General Contractors:
Carolinas Branch sued for damages.... n851
Officers nominated n439

Association assessment on contractors held illegal n592

Austin, Wilbert J., builder, dies..... n*778

Automobiles:
Average motorist pays toll eight times yearly 218
Survey of rural mail car costs on three types of road surfaces..... 224
West Virginian bans on double-decker automobile transport upheld..... n660

B

BEAMS

Design economy by connection restraint. Johnston & Hechtman..... *484
Design economy by semi-rigid connections. Bruce Johnston..... l 808
Precast concrete box beams for high strength. H. M. Hadley..... *838
Rigid connections. H. E. Wessman..... l 671

Blasting:
Filling holes by blasting. F. R. Cozzens 43

Bonds:
Philadelphia bond issue held unconstitutional n508
RFC seeks judgment against two Kentucky towns n593

BOOK REVIEWS

Airports. J. W. Wood..... 845
Boundary problems and development projects. D. G. W. Ricketts..... 845
Civil engineering handbook. L. C. Urquhart 301
Construction planning and plant. Ackerman & Locher..... 301
Cost accounting. J. G. Blocker..... 708
Economics of transportation in America. K. T. Healy..... 301
Elementary surveying. W. C. Tayler... 116
Engineering surveys. Rubey, Lommel & Todd 845
General engineering handbook. C. E. O'Rourke 429
Government and economic life. L. S. Lyon 302
Handbook of English in engineering usage. A. C. Howell..... 845
Independent labor organizations and the National Labor Relations Act. F. T. Bow 302
Index 1881-1939 to Proceedings, Journal and other publications of American Water Works Association..... 116
Master plan of airports..... 707
Mathematical methods in engineering. Karman & Biot..... 707
Modern railway. J. H. Parmelee..... 707
Municipal public relations. E. D. Woolpert 845
Pan-American highway. Franck & Lanks 116
Panama to Verdun. Col. Philippe Bunau-Varilla 707
Public water supplies. Turneaure & Russell 429
Recommended practice and standard specifications for concrete and reinforced concrete 429
Road and street construction methods and costs. Gillette & Black..... 429
Route surveying. Pickels & Wiley..... 116
San Francisco-Oakland Bay Bridge. C. H. Purcell 116
Sewage pollution by Works Projects Administration 302
Sewage treatment. Imhoff & Fair..... 301
Sewage treatment works. C. E. Keefer.. 845
Sewerage and sewage treatment. H. E. Babbitt 845
Surveying. Davis & Foote..... 845
Technical drafting. C. E. Schumann... 707
Technical drawing. F. E. Giesecke & others 707
Technical exposition. L. M. Oliver..... 845
Transportation. E. R. Johnson..... 301
Tree clearance for overhead lines. G. D. Blair 707
Bowie, William, geodesist, dies..... n*323

Bridge accidents and failures:
Bridge fires. R. P. Davis..... 18
Brown Ford Bridge, Mo. collapses during remodeling n*7
Tacoma Narrows Bridge:
Board to study collapse..... n725, n735
Action of "Karman vortices." B. D. Mills, Jr. ..... l 808
Aerodynamic instability shown by model test. N. B. Bowers..... *674
Collapse of bridge. Rathbone, Turner, Wessman l*736
Collapse in movies..... n733
Damages to bridge..... n*720
Resonance effects of wind. H. R. Thayer ..... l 808
Wrecked by wind. N. A. Bowers. *647; e672

BRIDGE CONSTRUCTION

Box type of abutment for grade-separation bridges 38
Highway bridges to be rehabilitated.... n202
Renewing decks with minimum traffic disturbance 634
Steel corrosion treatment..... 692

Bridge design:
Aerodynamic stability of suspension bridges. Theodore von Karman..... l 670
Cleveland bridge has welded rigid frames, European style. F. L. Plummer *91; e80
Deer Isle-Sedgwick, Me.—stabilizing a suspension bridge..... *752
Hennepin continuous bridge affected by warping, is adjusted. Wyly, Fullenwider & Murphy..... *280; e268
Krotz Springs truss bridge lengthened into long cantilever. H. J. Engel... *22
Merritt Parkway Viaduct—one leg bents support steel grid deck. W. G. Grove. *328
Whitestone bridge oscillations to be checked by stays and brakes..... *750
Jury named for student bridge contest. n861
Suspension bridge research..... e739
Bridge design see also Tacoma Narrows bridge

• Illustrated; a, abstracts; e, editorials; l, letter; n, news

BRIDGES

Akron:
North Hill viaduct—concrete repair job. Ralph Van Brimmer.....*226
Alabama bridges and highways (unit prices) 661
Alabama highway bridge built on curve n*854
Alabama's only toll span made free for public use n659
Baton Rouge, La.:
Formally opened n*249
Low heat cement reduces cracking. Lehman & Erickson.....*353
Bear Mountain bridge:
New York buys bridge.....n203
States takes ownership.....n378
California highway arch bridge.....n*729
Carquinez and Antioch bridges:
Bought by California.....n306
Tolls reduced n859
Cheyenne, Wyo.:
Railway crossing (unit prices)..... 132
Chicago:
Viaduct over railway tracks replaced. Smith & Riggle.....*210
Cleveland:
Carter Road bridge, Columbus Road bridge, West Third St. bridge; three methods for erecting lift bridges. G. B. Sowers.....*167
Main Avenue bridge features welded rails, hollow standards.....*359
Main Avenue bridge steel protected by flashing *244
Welded rigid frames—a criticism. A. A. Weitzman c526
Welded rigid frames, European style. F. L. Plummer.....*91; e80
Wheeling & Lake Erie R. R. bridge dynamited to straighten river.....n*137
Columbia River bridge:
Bonneville pool requires Bridge of Gods raised 45 ft.....*464
Bridge of the Gods—owners lose in damage case n592
Deer Isle-Sedgwick, Me.:
Stabilizing a suspension bridge.....*752
Dover, Ohio:
Z-piling for bridge pier shafts. L. K. Whitcomb, Jr. *684
Evansville, Ind.—Henderson, Ky. bridge to be toll-free.....n855
Glasgow, Scotland:
Railway bridge abutment repair..... 93
Grand River Dam area bridge bids asked for n310
Greenville, Miss. highway bridge dedicated n389
Havre de Grace, Md.:
Highway bridge near completion.....n*127
Hennepin bridge:
Continuous bridge affected by warping is adjusted. Wyly, Fullenwider & Murphy *280; e268
Illinois highway bridge stolen.....n263
John Martin Dam—railway relocation bridges in construction.....n*439
Krotz Springs, La.:
Atchafalaya River truss bridge lengthened into long cantilever. H. J. Engel *22
Lorain, Ohio:
Bascule bridge replaces highway swing span *742
Long bascule replaces swing span....n*433
Long continuous truss bridge.....n*261
Louis Morris bridge, S. C.-Ga.:
Highway bridge completed.....n*648
Louisville, Ky. reduces fares on municipal bridge n595
Ludlow Ferry, Md.-Va. bridge.....n*850
Mackinac City, Mich.:
Record span bridge recommended.....n201
Mackinac Straits bridge bill is headed for passage n306
Madison, Wis.:
Laminated wood arches for bridge..n*861
Mark Twain bridge made toll free.....n592
Mauckport, Ind. bridge proposed.....n726
Merritt Parkway, Conn. viaduct:
One-leg bents support steel grid deck. W. G. Grove.....*328
Mississippi River bridge, Mo.-Ill.:
(Unit prices) 799
Mokelumne River, Calif. highway bridge (unit prices) 638
Murphysboro, Ill.:
Equipment for bridge building bombed n453
Narragansett Bay, R. I.:
Jamestown bridge dedicated.....n*189
Natchez, Miss.:
Opened to traffic.....n*387
New Harmony, Ind. bridge purchased by commission n586
New York City:
George Washington bridge:
Approach to bridge from Harlem River speedway. K. A. Sheppard *334
New Manhattan connection placed in service n*3
Whitestone bridge oscillations to be checked by stays and brakes.....*750
Niagara Falls bridge:
Work expected to continue..... n74
North Adams, Mass.:
Construction (unit prices)..... 120
North Carolina flood bridge replacements delayed by defense work.....n592
Ocean City, Md.:
Bascule bridge construction (unit prices) 198
Ohio highway bridge eliminates dangerous curve n*789
Oregon highway bridges protected with fenders *772
Oregon highway bridge repaired while timber trusses support trestle deck...*771
Passaic River:
Lift span floated to place.....n375
Pennsylvania Turnpike:
Grade separation and drainage structures. R. F. Graef.....*284; e268
Perth Amboy, N. J.:
Raritan River bridge caissons and piers constructed with floating plant *30
Pueblo, Colo.:
Bank protection for new river channel. Elliot & May.....*829
Rock Is., Ill.:
Centennial Bridge (Galbraith):
Dedicated n*59
Rockport, Ky. tolls for six weeks.....n*805
St. Georges, Del. bridge substructure (unit prices) 445
San Francisco-Golden Gate bridge:
Profit for the year 1940.....n260
San Francisco-Oakland Bay bridge:
Steam-cleaning before repainting.....*238
Traffic increases as tolls are reduced..n204
Seattle:
Lake Washington bridge completed...n*58
Lake Washington pontoon bridge tolls exceed estimate n453
Moorings for Lake Washington bridge *82
Shasta Dam:
Reservoir bridge takes shape.....n*665
Sacramento River crossing—safety net still doing duty..... n66
Sprague, Conn.:
Construction (unit prices)..... 48
Tacoma Narrows:
Another consulting board named.....n735
Board to study bridge collapse.....n725
Bridge—action of "Karman vortices." B. D. Mills, Jr.....l 808
Bridge aerodynamic instability shown by model test. N. A. Bowers.....*674
Bridge collapse. Rathbone, Turner, Wessman l*736
Bridge collapse in movies.....n733
Bridge completed n*58
Bridge damages n*720
Bridge—resonance effects of wind. H. R. Thayer.....l 808
Bridge tolls reduced.....n197
Bridge wrecked by wind. N. A. Bowers *647; e672
Suspension bridge oscillations to be studied n139
See also Bridges, Whitestone, Deer Island
See also Bridge design
Tallulah Falls, Ga.:
Long girders used for bridge.....n*730
Thomas A. Edison bridge, N. J.:
Opened for weekend traffic.....n*448
Thousand Island:
Stabilizing a suspension bridge.....*752
Toledo, O. bridge and highway widening (unit prices) 863
Tolls:
Average motorist pays toll 8 times yearly 218
Washington State cantilever bridge (unit prices) 714
Bridges see also Grade crossings
Building accidents and failures:
Evanston, Ill. technical building destroyed by fire.....n787
Fire retarding e208
Los Angeles concreting accident kills spectator n449
Pittsburgh theatre roof falls.....n*664

BUILDING CONSTRUCTION

Aluminum Co. plans big building program n509
Army awards contracts for defense plants n247
British building research..... 172
Defense plants under way.....n389
Great Britain to control civilian construction n453
Illinois building probe returns indictment n388
Le Tourneau plant constructed of welded cellular sheet steel. Loiell Hyler.....*458; e456
Los Angeles staggered-floor garage design cuts cost. V. V. Lankovsky.....*219
Packard, Ford, factories move toward construction n374
Philadelphia building probe reveals little n260
Plant protection against air attack..... 826
Why building costs are high. Jacob Mark 275
Building design:
Air raid design. Robins Fleming..... 19
Earthquake design. H. M. Hadley..... 179
Method of bracing for earthquake shock..*843

BUILDING LAWS AND REGULATIONS

New York buildings to be rated by Van Vleck n197
New York City approves brick cavity-wall construction n249
Philadelphia requires plans for certain types of buildings to carry signature of architect n131
Seattle code revised to allow light floors.n439
Winston-Salem code changed to aid builders n202
Building maintenance:
San Francisco-Golden Gate Exposition: Experience in maintenance of large timber structures. J. J. Gould.....*28

BUILDINGS

Baltimore:
Glenn L. Martin plane factory addition under way.....n329
Bridgeport, Conn.:
Bullard Co. excavates foundations for machine tool plant from rock dump left from last war.....*767
Buffalo, N. Y.:
Hewitt Rubber warehouse of glass blocks n*731
Cambria, Wis.:
Fireproof garage constructed with precast concrete arches. J. J. Weiler..*686
Cedar Rapids, Ia.:
Factory steel in place 30 days after awarding contract n*449
Chicago:
Armory is enlarged. S. E. Berkenblit.*294
Office building foundations underpinned to avoid risk from new subway construction *422; e394
Wesley Memorial Hospital is topped out n*434
Colorado Springs:
Will Rogers Stadium is all-welded. Sanford & Phillips.....*700
Detroit:
Engineering Society to get new building n*75
East Hartford, Conn.:
Aircraft factory built in 40 days....n*200
Harvey, Ill.:
Windowless Buda engine plant..*602; e601
Houston:
Office skyscraper n*307
Skyscraper structural design influenced by air conditioning. W. H. Weiskopf *740
Indianapolis, Ind.:
Allison airplane engine plant.....n201
Jersey City, N. J.:
Nurses Home contains four miles of welds *701
Lockland, Ohio:
Curtiss-Wright airplane engine plant—ground broken n*669
Los Angeles:
Staggered-floor garage design cuts cost. V. Lankovsky.....*219
Welded rigid frame bents for machine tool plant n*311
Montclair, N. J.:
Apartment house builder honored for fast job n*509
Apartment house constructed with hollow brick wall.....*332
Moscow:
Palace of the Soviets' superstructure started n*859
Nashville, Tenn.:
Aircraft factory n*122
New Orleans:
Charity Hospital builder sues for extra pay n859
New York City:
Air Lines terminal constructed of all-welded framing. LaMotte Grover *94; e80
Queens Borough office building constructed in record time.....n*508
Staten Island Mental Hygiene hospital development n*851
Times Square bus terminal planned..n786
Triboro Hospital wins design and construction award n*785
Peoria, Ill.:
First agricultural regional laboratory completed n*735
Welded cellular construction of sheet steel for Le Tourneau plant. Loiell Hyler *458.; e456
San Francisco:
Columbia Steel plant bought by Navy for shipbuilding n378
Stanford University, Calif.:
Hoover Library tower design influenced by earthquakes.....*812; e810
Tacoma:
Timber trusses support roofs over shipbuilding shops *85
Vancouver, Wash.:
Aluminum Co. building is rushed for increased aluminum needs.....*630
Washington, D. C.:
Jefferson Memorial contractors.....n854
Jefferson Memorial takes shape.....n*716
Naval hospital design to have high tower n*139
Office building labor dispute.....n188
Social Security building work is halted by labor troubles.....n587
War department offices delayed by strikes n75; n126
Building see also Housing
Bulkheads see Shore protection
Bus terminal for New York City planned.n786
Bush, Lincoln, railway engineer, dies.....n802

C

Cables:
Tension adjusting device.....*490

CAISSONS
Killdear, N. D. sewage plant uses home-made equipment to sink Imhoff tank caisson. R. F. Mirick.....*746
Merriman Dam caissons for a cutoff wall.....*761
Precision devices for sinking Rotterdam tunnel caissons. J. P. Van Bruggen.....*608
Raritan River Bridge, Perth Amboy, caissons and piers constructed with floating plant.....*30
Camps see Housing

CANALS
All-American Canal:
Officially opened.....n522
Ready for use.....n*308
Madera Canal (Central Valley Project):
Construction started.....n587
Panama Canal:
Bids opened for excavation.....n666
Engineers who are constructing third set of locks.....n*57
Lock bids to be taken soon.....n252

CEMENT
Can portland cement be improved? P. H. Bates.....107
New cement specifications. Wray & Lichtefeld.....105
Portland Cement Association plans study of cement performance in concrete...n731
Silicosis not caused by cement, according to tuberculosis studies.....148
Specification for five cements adopted by A.S.T.M.....n, l, e10
Channel improvement, York, Pa. (unit prices).....515
Cities:
Replanning our cities for living. Emerson Goble.....*231
Utilities most commonly owned by cities 21
Civil Aeronautics Authority:
Col. D. H. Connolly appointed Administrator of Civil Aeronautics.....n202
Clifford, James J., builder, dies.....n450
Cofferdams:
Cooper River Dam cuts cofferdam costs by launched bracing. J. H. Osler, Jr.*623
Shop bent sheetpiling for cofferdams....*705
Columns:
Earthquake causes failure of column underground. E. L. Mayberry.....l*599

CONCRETE
Batch-plant for mile-a-day paving of Pennsylvania Turnpike.....*694
Baton Rouge, La. bridge concrete rendered crackless by low heat cement. Lehman & Erickson.....*353
Chicago jury acts on ready mix concrete.....n7
Coloring concrete floor. I. A. Butcher.. 300
Cost studies of cinder concrete block. Rothschild & Crawford.....748
Detecting unsound chert in aggregates. C. L. Kirk.....141
Forms:
Guntersville Dam—outside rods hold semi-circular concrete forms without ties.....*489
Wrinkled metal floor forms used in Long Beach housing project.....*150
Wyoming underpasses specify absorptive form lining.....470
Ice plant is used in placing Friant Dam concrete to keep down temperature...*144
Mixer equipped with special plates at Friant Dam.....*300
New York builds test road.....*415
New York City surveys suitability of concrete for seawater exposure. L. C. Hammond.....*832; e811
New York City's Jamaica disposal plant—forming and concreting the tanks..*461
Oregon State Highway Commission develops strength-prediction formula based on 6,000 tests. Finkbiner & Harra.....*357
Pavement scaling due to use of salt for ice, successfully checked. O. L. Moore.....*471; e457
Pillbox built in 5 hours.....n*319
Portland Cement Association plans study of cement performance in concrete...n731
Precast arches and roof slabs of concrete used for garage. J. J. Weller...*686
Precast box beams for high strength. H. M. Hadley.....*838
Preparing the aggregate for Shasta Dam concrete.....*100
Red concrete for slow traffic lane.....*212
Reinforcement:
Slotted saddles hold truss bars to curvature.....*634
Sulphate resistance studies. Miller & Mansom.....106
Vibrator for mortar tests.....*175
Volume change of concrete. H. E. Davis.....105
Water curing concrete floors. I. A. Butcher.....427
Conduits:
Mill River, Mass. conduit (unit prices). 69
Park River conduit, Hartford, Conn. (unit prices).....432

CONSTRUCTION
Appropriations added to bill for defense construction.....n265
Appropriations for construction passed by House.....n187
Building for defense (tables, charts, map).....529
Defense appropriation supplemented...n320
Defense bill is rushed as Army construction needs rise.....n305
Defense construction expenditures through June 30, 1942.....n721
Defense construction organization takes shape in Washington (chart).....n134
Defense workers list now includes construction.....n451
ENR construction volume, costs, index numbers, etc.....July 4, adv. 27; Aug. 1, p. 131; Sept. 12, adv. 59; Oct. 10, adv. 35; Nov. 7, adv. 31; Dec. 5, adv. 31
Financing of construction shows changes (chart).....Aug. 29, adv. 19
W. H. Harrison put in charge of defense construction.....n76; n*123
How federal money will be spent for construction.....n67
Knudsen makes first report on survey of construction needs.....n137
H. W. Loving to handle army's fixed fee construction contracts.....n123
Lower hour pay studied to increase total wages for construction.....n451
Geo. Moore heads construction on army general staff.....n135
Naval bases need three-quarter billion.n139
Priorities system may soon affect construction.....n718
Quartermaster construction reorganized for speed-up.....n*801
Quartermaster is preparing list of contractors and engineers for defense contracts. R. Colborn.....199
Those bottlenecks.....e11
Uruguay makes building construction tax exempt for ten years.....n595
Construction see also War
Construction accidents:
Doing something about accidents. R. A. MacGregor.....*283
Construction costs see Unit prices

CONSTRUCTION EQUIPMENT
Asphalt plant turns out electrically heated paving mixture. Robert Johnson.....*149
Belt conveyor takes aggregate to Shasta Dam.....*102
Chain hoist trolley rail. W. H. Banthin.....*115
Conveyors for Friant Dam supported by welded pipe.....*175
Crane has boom angle indicator.....*243
Drill shank enlarged by brazing.....*43
Electric drive for ordinary jobs. G. H. Hall pt. 7.....*235
Hoist—exhaust steam warms hoistman. Elton Sterrett.....*772
Lighthouse on skids.....*300
Machine shop in a boxcar.....*490
Muck bucket from oil drum.....*428
Railway tie remover.....n*575
Renting equipment to the government..e456
Rock basket scoop and elevator.....*772
Rock spreader puts on facing at Hansen Dam.....*239
Shasta Dam construction layout for concrete placing.....*18
Shore, adjustable.....*359
Steel hook to wreck plank deck.....*427
Travelers designed to speed arch viaduct forms for George Washington bridge approach. K. A. Sheppard....*354
Tubular stairway scaffold.....*705
U. S. Army is buying highway equipment.....n74
Vibrator for mortar tests.....*175
Weight of pile hammers.....158
Weight of pile hammers. L. H. Buttenheim.....l266
Welder, portable electric.....*490

CONSTRUCTION MATERIALS
Abrasive resistance of brick. McBurney, Brink & Eberle.....106
American Society for Testing Materials reports on construction material developments.....105
Fire resistance value of tile and block.. 839
Five kinds of paving brick now recognized by simplification committee....n*189
Materials and labor prices.....50; 180; 366; 495; 640; 780
Montclair apartment house adopts hollow brick walls.....*322
Mortar affected by brick. F. O. Anderegg.....106
Priorities system to include materials for Navy contracts.....n787
Rising prices.....e457

CONTRACTORS
Army negotiated contracts not to change.....n849
Association assessment on contractors held illegal.....n592
Contractor-engineer relations of a lifetime. F. L. Copeland.....*33
Contractor-WPA work in Texas. D. C. Greer.....l737
Court reduces assessed value of contractor's equipment.....Sept. 12, adv. 108
Illinois contractor fined for false PWA report.....n78
Middle West Construction Co.'s suit against Hartford Commission dropped.n859
Negotiated contracts authorized by the government.....n718
WPA undertakings may be assisted by private contractors.....409

CONTRACTS
Army and Navy fee construction contracts.....229
Biggest construction week in history... n71
Construction contracts for defense. L. B. Wehle.....155
Emergency contracts. Harding, Hoitt, Maxon, Dean.....l141
ENR engineering construction contracts. 6; 68; 78; 130; 140; 196; 204; 256; 264; 314; 322; 382; 390; 444; 452; 513; 522; 588; 596; 660; 668; 726; 734; 798; 807; 862
Navy's partnership contract. B. Moreell.....l325
Negotiated contracts. O. B. Coblentz..l207
Priorities system to include materials for Navy contracts.....n787
Smaller contractors not to be overlooked by Navy Department.....n121
Wage-rate uncertainty in Army contracts.....e269
Co-operative Builders Association formed.n307

DAMS
Arkabutla Dam, Miss.:
Flood control dam (unit prices).....316
Birch Hill Dam, Mass.:
Construction (unit prices).....132
Boulder Dam:
Lake Mead's storage capacity is greater than estimate.....n123
Canton Dam, Okla.:
Construction of main embankment section (unit prices).....848
Cherokee Dam:
Six weeks of construction.....n*385
TVA starts preliminary work.....n189
Cooper River Dam:
Cofferdam costs cut by launched bracing. J. H. Osler, Jr.....*623
Cottage Grove Dam:
Construction (unit prices).....179
Denison Dam:
Construction gets under way.....n*376
Fort Peck Dam:
Fill placing is completed.....n*659
Fort Supply Dam, Okla.:
Completion of dam (unit prices).....258
Friant Dam:
Concrete placing begins.....n187
Concrete work advances.....n*519
How the dam is being built.....*144
Lavatory is installed half way up dam.....*244
Grand Coulee Dam:
First cars drive along top of dam.....n205
Grouting work begun to close adjustment slots.....n*587
Power house crane tested.....n*77
Power line complete.....n256
Welded floodlight supports dam.....*771
Grand River Dam:
Appeal from injunction forbidding state to interfere with project.....n505
Bids asked for road work.....n310
Funds provided for inundated roads and bridge.....n319
PWA not to replace roads above dam.n386
Green Mountain Dam:
Ready for fill.....*190
River diversion tunnel driving and shaft sinking.....*758
Guntersville Dam:
Outside rods hold semi-circular concrete forms without ties.....*489
Hansen Dam:
Credit for the job. G. M. Dexter.....l454
Dedication of dam-bronze tablet.....n*317
Rock spreader puts on facing.....*239
John Martin Dam (Caddoa Dam):
Description of project.....*614
Kanopolis Dam:
Bids requested.....n579
Construction of dam and spillway (unit prices).....848
Outlet tunnel (unit prices).....48
Kentucky Dam:
Foundation exploration. Lynn & Rhoades.....*480
Kingsley Dam:
Dredging completed.....n*797
La Turque Dam:
Installing 50-ft. stop logs.....771
Little Tennessee River, N. C. dam license sought.....n505
Mahoning Creek Dam:
Flood prevention dam for Pittsburgh.n*591
Marshall Ford Dam:
Completion (unit prices).....256
Placed in service.....n387
Merriman Dam:
Caissons for a cutoff wall.....*761; e738
Details of the dam.....*689

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Mississippi River Dam No. 3:
Pile bearing increased by close driving. W. Z. Liddicker.....*172
Mud Mountain Dam (Stevens):
Abutment stripping makes progress .n*74
Change to rock faced dam increases cost n188
Changed to rockfill with earth core..n249
Nantahala Dam:
Labor trouble halts work.....n721
Strikers return to work.....n735
Nimrod Dam:
Concrete work advances.....n*663
Pacoima Dam:
Spillway extended n*786
Pensacola Dam:
Completion of dam.....n*597
Pinopolis Dam:
Lock and turbines.....n*650
Possum Kingdom Dam:
Brazos River water storage right granted n453
Prado Dam:
Foundation unwatering methods.....*821
Rangoon, Burma:
Flexible core for earth dam in earthquake country 279
San Gabriel Dam No. 2:
Timber facing prevents dam leakage. Paul Baumann *683
Santee Dam:
Apron of spillway.....n*650
Sardis Dam:
Dedication of dam.....n*257
Riprap placing upon upstream face..n*719
Shand Dam:
Nears completion n*594
Shasta Dam:
Belt conveyor takes aggregate to dam.*102
Concrete placing n*578
Concrete placing begun.....n75
Concreting equipment from 15 cities..n205
Construction layout for concrete placing *18
Dispan light reflectors.....*634
Diversion of Sacramento River begun n*259
Grouting tunnels planned.....n77
Preparing the aggregate for the concrete *100
Reclamation Bureau to operate dam..n374
Supervision of dams (N.E.W.W.A. meeting) 478
Texas dams damaged by rain storms...n715
Tionesta Dam completed.....n310
Watts Bar Dam:
TVA rushes work at dam.....n321
Youghiogheny Dam, Pa.:
Outlet works (unit prices)..... 69
Reservoir dam planned for flood control n593
Defense Homes Corp. an R.F.C. subsidiary, is formed n586
Defense Homes Corp. soon to start three jobs n850
Dikes:
Missouri River dikes (unit prices)..... 515
Docks see Wharves and Docks
Drawing accurate irregular curves. C. J. Posey 843
Dredges and dredging:
Hudson Bay dredging. G. S. Anderson.1 454
Large hose for dredge.....n*503
San Francisco Bay adjacent to airport dredging (unit prices)..... 778
Drydocks:
Two drydocks in bill passed by House..n320
World's largest drydock may be built at Bayonne n*443

Gascoigne & Associates reorganized.....n388
Gascoigne, George, sanitary consultant, dies n*252

GRADE CROSSING

Long Island R. R. grade separation foundations of hollow fluted metal piles *506
Rockaway Beach, N. Y. grade elimination (unit prices)..... 727
Winnetka, Ill. railway grade separation is handled by three-mile cut. S. A. Huguenin *816
Wyoming underpasses specify absorptive form lining 470
Ground Hogs organized in Chicago.....n323

H

Harding, Edward J., director of A.G.C., dies n*450
Harrington, Col. F. C., WPA administrator, dies n*442

HIGHWAY ADMINISTRATION

D. C. Greer, new Texas state highway engineer n*67
Idaho highways to be directed by C. P. Humphrey n*121
Indiana changes highway heads.....n*860
Louisiana reorganizes its highway department n319
Nevada Department of Highways' salary study finished n583
North Carolina road engineers get more pay n665
Ohio highway men advanced.....n854
Pennsylvania road official appeals case.n137
Pennsylvania secretary of highways must go to jail.....n578
H. G. Sours appointed Ohio highway director n*733

HIGHWAY DESIGN

Expansion joint study to be made by Oregon. C. B. McCullough.....*168
Five varieties of paving brick now recognized by simplification committee...n*189
Iowa road carved through loess bluffs in stepped vertical face cuts.....*276
Measurements of the depth of frost under pavement. F. R. Pratt.....*835
New York lays test pavement.....*415
Scaling of pavements. Ira Paul 1 598; D. W. Scully.....1 598
Scaling of pavements from use of salt for melting ice, successfully checked. O. L. Moore.....*471; e457
Scaling on concrete roads. H. L. Howe.. 627
Highway design:
Safe sharp curve. E. L. Stewart.....*175
Vertical curves. W. T. St. Clair..... 1 8

HIGHWAY ECONOMICS

Allotments for highways.....n262
Georgia not to receive federal aid for highways n664
New Jersey cuts funds for WPA road work n248
North Carolina receives additional funds.n850
North Dakota halts highway fund diversion .....n 67
Oklahoma's 1941 program approved by PRA n520
Oklahoma's 1941 program rejected because attention was not paid to strategic roads n307
South Carolina road fund transfer halted n595
State road bodies spend less than received in 1939.....n521
Wisconsin studies change in road fund allocation n858
Highway lighting:
Better street lighting. S. M. Weaver... 629
Montclair, N. J. demonstrates better street lighting *827
Street lighting evaluator. Reid & Channon *702
Highway maintenance:
Ohio County builds cinder tipples to help icy roads n*732
Highway marking:
"Broken-line" system striping on Alabama highways n851
Illinois separates highway lanes with bituminous strip n*188
Highway Research Board meeting.....n785
Highway safety:
Engineering in relation to traffic safety. 242
Illinois increases travel and decreases accidents n595

Semaphores control traffic through one-way tunnel *843
Highway signs:
Iowa service signs with a single truck. P. T. Martin..... *820

  Killdear, N. D. sewage plant uses homemade equipment to sink Imhoff tank caisson. R. F. Mirick..... *
  Lansing, Mich. combines garbage and sewage treatment ..... *
  Liberty, N. Y. employs biofiltration of sewage ..... *402; e
  New sewage chemically. Willem Rudolfs ..... *
  New York City's Jamaica disposal plant —forming and concreting the tanks..*
  Norfolk may build sewage treatment works ..... n
  Notes on sewage disposal. Willem Rudolfs.....44; 176; 360; 410; 706; 844
  Ohio Health Department reports last year's work.....Sept. 12, adv. 108
  Philadelphia to make report on treatment problem ..... n
  Pumps for sewage service. L. M. Johnson 611
  C. G. Hyde..... 611
  Purification role of trickling filters. Max Levine 613
  Refuse disposal costs. R. C. Taylor..... 628
  Rock Island, Ill. combines refuse and sewage plant for profit. Consoer & Townsend ..... *
  Rock Island's new sewage system dedicated ..... n*
  St. Paul sewage disposal plant in operation ..... n*
  Santa Paula, Calif. converts sewage into irrigation water ..... *
  Sludge dewatering. F. W. Jones, H. A. Faber 613
  Sludge gas motor fuel. R. F. Fuhrman.. 612
  Sludge sampling simplified..... *

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

South Dakota to give aid to small sewage plants 476
Springfield, Mass. builds two sewage plants. E. J. Cleary.....*396
Thompsonville, Conn. to be required to use sewage plant..... n73
Toronto sewage plant construction delayed n802
Webster City, Iowa solves summer resort problem with dual treatment units. A. D. Swisher.....*405

SEWERS
Baltimore approves big loan for sewer work n658
Baltimore seeks sewer and paving fund. n76
Bulkhead wall and sewers, New York City (unit prices)..... 432
Danger ahead! sewage gas hazards..... 488
Decatur, Ill. revamps its 50-year-old sewer system. W. D. P. Warren.....*475
Indiana sewer trench slide kills three...n249
Indianapolis interceptor sewer (unit prices) 362
Louisville, Ky. sewer submain (unit prices) 178
Manhole design for better cleaning.....*243
Milwaukee sanitary sewers (unit prices) 799
Oak Park, Ill. sewer and street cleaning. 356
Philadelphia bond issue held unconstitutional n508
Philadelphia upholds big sewer bond issue n315
Suit against Hartford Commission dropped n859

SHIPYARDS
Cramp Shipbuilding Co. to build naval vessels n379
List of major projects (table)..... 532
Nine contracts for shipyards awarded and five for ordnance facilities.....n503
Shore protection:
Cuyahoga River, Cleveland, bulkheads anchored by pile A-frames. G. B. Sowers *355
Silicosis:
Cement does not cause silicosis, according to tuberculosis studies..... 148
McIntyre Porcupine Mines uses aluminum dust to combat silicosis..... 17
Society for Promotion of Engineering Education:
Convention at Berkeley, Calif..... n7

SOIL MECHANICS
Celluloid liner for soil sampling cylinder. 634
Conference held on soil mechanics at Purdue University n374
Highway Research Board meeting centers on soil studies.....n785
Kentucky Dam foundation exploration. Lynn & Rhoades.....*480
Non-distorting soil sampler. F. B. Slitcher *756
Stadium:
Will Rogers Stadium, Colorado Springs, is all-welded. Sanford & Phillips....*700

STEEL
Bethlehem Steel is increasing ingot production n791
Bridge steel corrosion..... 692
Corrosion of steel. Pilling & Wesley.... 106
Effect of testing speed. Jones & Moore. 107
Flame cleaning steel for painting. E. W. Deck *411; e394
Street lighting see Highway lighting
Street traffic:
Parking meter experiences. T. J. Seburn 628
Traffic congestion problems. M. D. Van Wagoner 628

STREETS
Columbus, Ohio street improvements studied n435
Los Angeles streets made safer by sodium vapor lighting.....*426
Montclair, N. J. demonstrates better street lighting.....*827
Oklahoma City street paving (unit prices) 661
Pittsburgh—supporting a hillside during reconstruction of old retaining wall. H. S. Ayres.....*836

STRUCTURAL DESIGN
Action of "Karman vortices." B. D. Mills, Jr. .....l 808
Aerodynamic stability of suspension bridges. Theodore von Karman.....l 670
Aerodynamic terms explained..... 809
Beam design economy by connection restraint. Johnston & Hechtman.....*484
Beam design economy by semi-rigid connections. Bruce Johnston.....l 808
Earth pressure on wall of varying height. C. E. Sharp, Jr.....*165
